**Business Name:** \_\_\_\_\_

**Business Certification # (for amendments and renewals):** \_\_\_\_\_

- Complete and sign this document (attach a spread sheet as necessary, with the **same** column headers shown below) and
- Submit this form and a copy of the current calibration certificate for each reader **in the order listed below**.
- The device number must be one that is listed on either the [NRPP](#) or [NRSB](#) device list.

| Device # | Manufacturer | Model | Serial # | Add Reader | Remove Reader |
|----------|--------------|-------|----------|------------|---------------|
|          |              |       |          |            |               |
|          |              |       |          |            |               |
|          |              |       |          |            |               |
|          |              |       |          |            |               |
|          |              |       |          |            |               |
|          |              |       |          |            |               |
|          |              |       |          |            |               |
|          |              |       |          |            |               |
|          |              |       |          |            |               |

Analysis with a reader may begin as of the date specified in DEP's written approval confirmation. The business will be held responsible for QA for readers requested for removal until the date specified in DEP's written approval confirmation.

The individual responsible for the business's application agrees to the following and signs the amendment below in accordance with N.J.A.C. 7:28-27.4:

I certify under penalty of law that I have personally examined and am familiar with the information submitted in this application and all attached documents. I believe that the submitted information is true, accurate and complete. I am aware that there are significant civil and criminal penalties for submitting false, inaccurate, or incomplete information, including the possibility of fine and/or imprisonment. I am aware that the certification for which this business is applying requires compliance with N.J.A.C. 7:28-27 at all times when the business and affiliates are providing radon services under that certification.
